Welcome 2010 School Bus Safety Road-E-O Participants!

Our staff at Bullitt County Public Schools is excited to host the 2010 Road-E-O and we look forward to making this event a fun and safe experience for all participants. Registration, orientation, and the written test will take place at the Paroquet Springs Conference Center in Shepherdsville, KY. The location of the conference center is centrally located and is within walking distance to hotels, restaurants, recreational activities, and it is only a short drive to the Bullitt County Bus Garage. At registration you will receive a welcome bag from our Chamber of Commerce that includes donated gifts from our sponsoring vendors. That evening we are planning on having a Go-Cart Racing Tournament for all Road-E-O participants at Kart Kountry which is the longest Go-Cart track in the world! The following day we will have the driving competition at the Bullitt County Bus Garage with a catered awards lunch at Roby Elementary School that is located on the same property as the garage. Thank you for coming, and once again welcome to our community!

Sincerely,

Jeffrey Scott
Director of Transportation
Bullitt County Public Schools
